WHAT WILL YOU GAIN FROM BECOMING AN INTELLECT TRAINER?

WHAT AN INTELLECT TRAINER GETS?

License to teach the Super Jump method

The method is certified and consists of 8 exercises

Exercises include world-historical experiences and work that would take more than a lifetime. We have invested decades and millions of dollars in finding the most efficient methods in India, China, Tibet, Europe and the USA. After research with more than 400,000 people, we selected the 8 most effective exercises. They contain our potential, strength and the solution to problems.

WHAT AN INTELLECT TRAINER GETS?

With these exercises

someone increases
their income to
\$15000 per month

someone renounces the divorce
and resumes the relationship
within 10 days

someone changes their attitude to
life so much that they recover from
a serious illness within six months

You will be able to teach people this method and **make the world a better place**

IT'S EASY TO DEVELOP WITH US BECAUSE

We'll help you get off to a successful start. Of course, you don't just get the right to teach. We have developed a system to make your job easier.

- Step 1** You'll have your own private office with training materials, tools for receiving payments and working with your team
- Step 2** You will have a personal mentor
- Step 3** You will be given step-by-step instructions for a successful start in business
- Step 4** We will connect you to the communication system
- Step 5** You will be able to take part in the activities of the online training system
- Step 6** By following the system, you will become the leader of a large team with a large income, and you will be able to earn money by helping your team go through the same steps

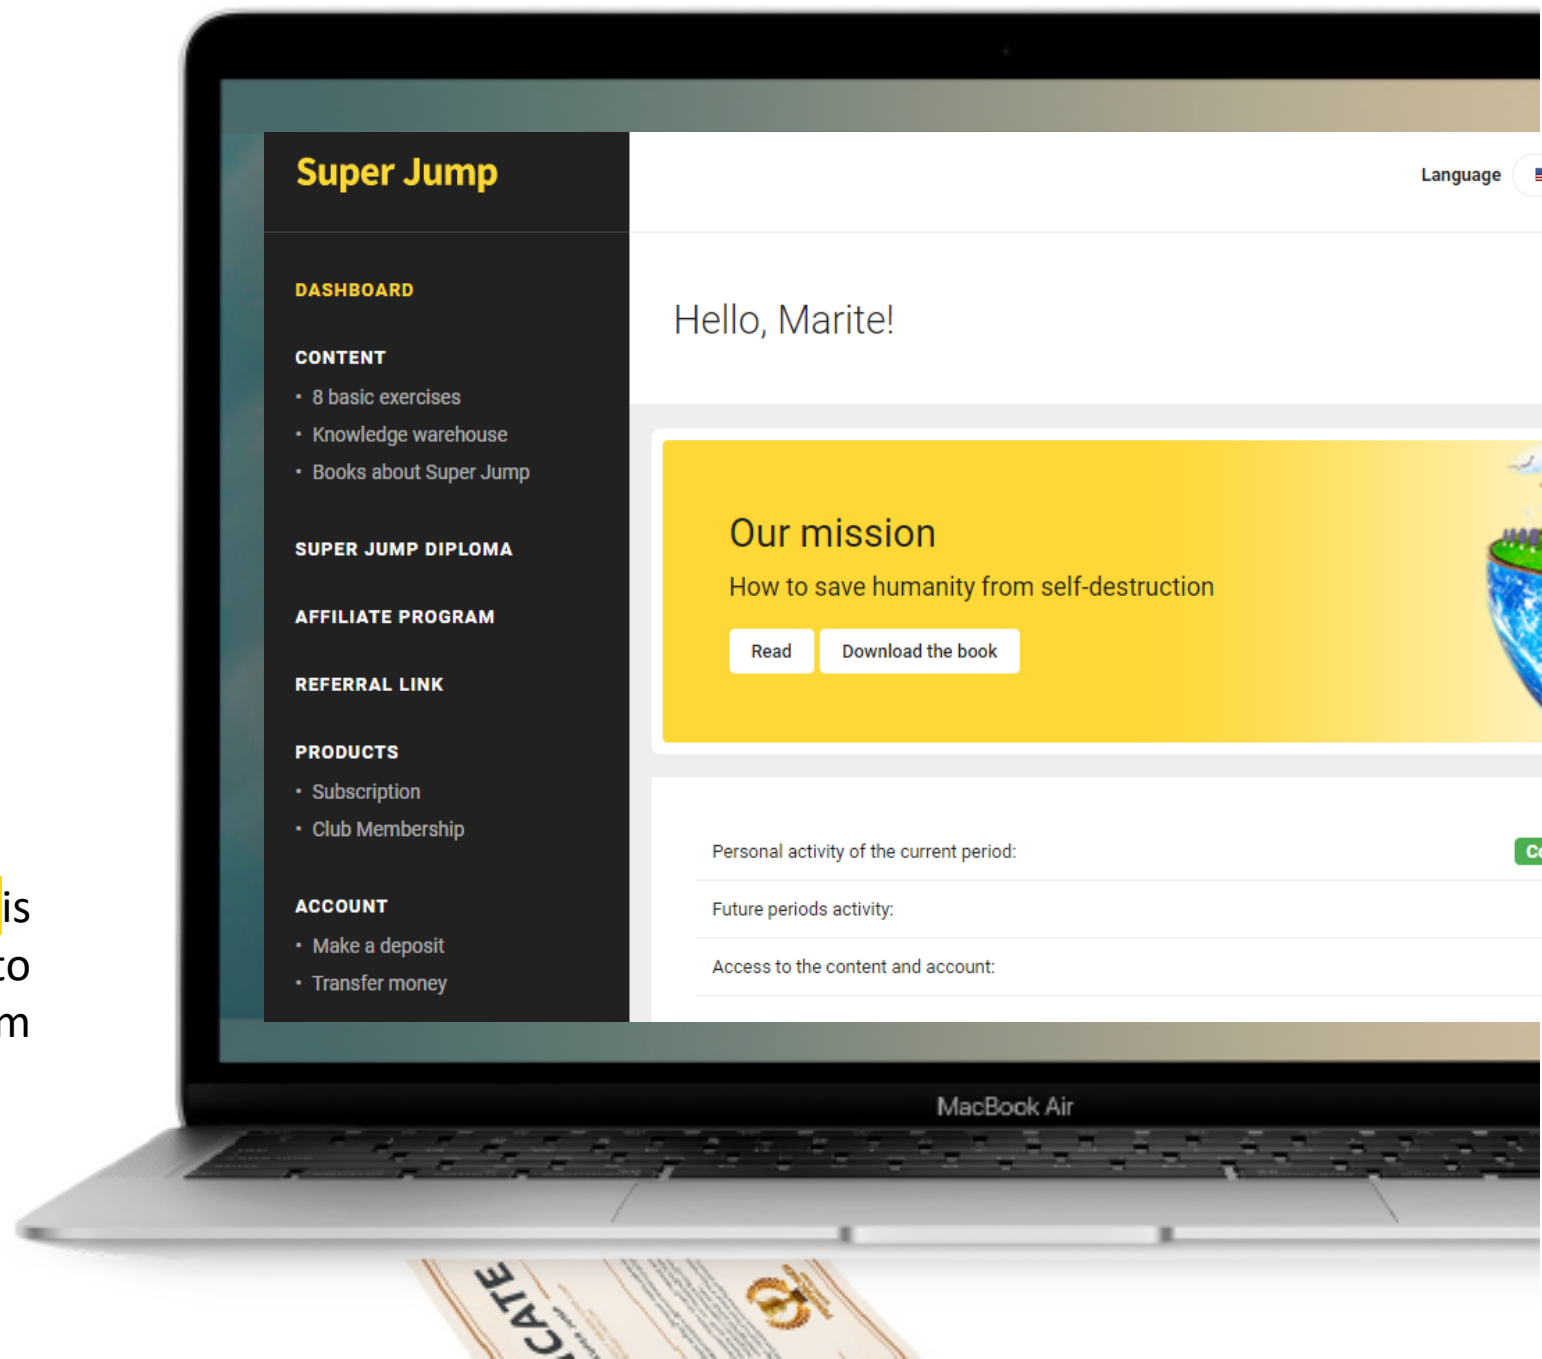

Let's go step by step together to see how it works

Step 1

PRIVATE OFFICE WITH MATERIALS, TOOLS FOR TAKING PAYMENTS AND WORKING WITH YOUR TEAM

After purchase, a convenient record system is set up on the Association's platform for you to accept payments and keep track of your team members and course participants

PRIVATE OFFICE WITH MATERIALS, TOOLS FOR TAKING PAYMENTS AND WORKING WITH YOUR TEAM

Our experts have developed a simple system: You don't have to invest your own resources in an expensive, separate website, you don't have to think about how to connect payment systems.

Everything is ready - all you need to do is run the training sessions and build a team of Intellect Trainers the same as you.

Step 2

EXPERIENCED MENTOR

We know how hard it can be to turn your life around, so you'll be provided with a chain of experienced mentors. Each of these mentors understands what an Intellect Trainer faces at the start of their journey and will help you understand how the system works.

You will have a personal mentor - someone who has a personal and financial stake in your success and will always be there to support you.

Our strength is in our Association of Intellect Trainers.

WELL-THOUGHT-OUT COMMUNICATION SYSTEM

- We have created a system where you can quickly access the information that is important for your development in Super Jump.
- You will be able to communicate with like-minded people in team conversations and chats, consult and share your successes.
- This communication system will connect you to all the information sources you need, just like an electrical socket. This is how you will recharge your energy from a community of motivated, successful entrepreneurs.

Step 4

ONLINE EVENTS SYSTEM

Step 5

Once you join Super Jump, you move to a new level. We create an atmosphere of personal growth, development and professionalism.

Free training events are held daily for team members. There you can gain a lot of practical knowledge, meet other Intellect Trainers, learn success stories and share personal experiences.

Here are some of our events :

- Meetings of new Intellect Trainers
- Training on sales, working with social networks
- Training on how to work with a team
- Online office

CREATE YOUR DREAM TEAM

By following the step-by-step instructions, you will quickly achieve results. You'll have students and a team, and your income will start to grow.

Then your job will be to help your team go through the same steps.

By running training sessions and selling licences, you will attract new Intellect Trainers to your team

By acting as a mentor, you will help them take those first steps

Your business will start to grow exponentially

And then you'll start to earn an income and be rewarded not only for your work, but also for the work of your team
